WHATCOM	Yes		
WHITMAN	No	No	
YAKIMA	Yes		

*Yellow = counties whose precincts are under 200 and were already voting by mail.

Note: If there's a "Yes" in the "Primary" column, the county has passed a resolution to go vote-by-mail.

There may be counties who have not passed a resolution to change to vote-by-mail, but who are conducting the primary by mail under the guidelines for conducting odd-year primaries by mail with the approval of cities and towns.
